

SOCIAL EVENTS

Wynyard Aero Club have social meetings throughout the year.

- Members and guests meet on Wednesday evenings in the clubhouse at Wynyard Airport, at about 8.00 p.m.. Visitors are very welcome.
- A BBQ night is held at the clubhouse at 6 o'clock on the third Saturday of every month. This is a great way to meet people and an inexpensive night out.
- Following the Annual General Meeting (in July) is the Annual Dinner. This is a very enjoyable Grand Night Out, with presentations for "Pilot of the Year", etc.

To find the clubhouse, follow the signs to Burnie Airport (Wynyard).

Call in to our clubroom after 8 on a Wednesday evening, or at the weekend (Saturday/Sunday).

FLYING EVENTS

Regular visits to other airfields are always a popular event whether travelling by air or by road. The opportunity to catch up with friends while enjoying a delicious barbecue is great way to spend time.

A trip to the Flying Teapot, near Bridport: always a popular fly-in.

Striving to Promote Aviation amongst the Members of the Association and the Community

A club to suit all sorts of people. Some members have never piloted an aircraft, some haven't flown for many years, and many fly on an almost daily basis, but all members share an interest in flying.

As a result of this shared pastime, the club is a delight to visit for the flying events, for the social nights, or just to make friends with people who have an interest in flying.

FLYING TRAINING

Almost anyone can learn to fly an aeroplane, and qualify for a Pilot's Certificate. Learning to fly is easier with the combined efforts of a proficient Flying School and a supportive Flying Club, and both these are combined in our Wynyard clubhouse:

- an area is allocated for flying training;
- Modern 'light sport' aircraft are available for hire;
- we have a resident chief flying instructor;
- other instructors and aircraft are also available.

Starting off is easy- just book in for a half-hour trial instruction flight. Fly for approximately 30 minutes with an instructor- during the flight you get hands-on experience flying a state of the art recreational aeroplane.

The club Tecnam.

If your objective is to achieve your Pilot's Certificate, then this can be done in as little as 20 hours. A Pilot's Certificate is often the first step to becoming a Commercial Pilot.

Trial Instruction Flights are available as Gift Vouchers, which make an excellent present for only \$90. Vouchers are available from our Chief Flying Instructor-
